

# The Gifts of Contemplative Prayer

*"Contemplative prayer is the prayer of the child of God, of the forgiven sinner who agrees to welcome the love by which he is loved and who wants to respond to it by loving even more. But he knows that the love he is returning is poured out by the Spirit in his heart, for everything is grace from God. Contemplative prayer is the poor and humble surrender to the loving will of the Father in ever deeper union with his beloved Son."*

*(Catechism of the Catholic Church, #2712)*

*Prayer is the lifeblood of the Christian life. This online retreat explores different types of the tested contemplative practices that help deepen our relationship with the Trinitarian God. In the retreat, participants become more aware of the unique way God communicates God's self to each one of them and the community.*

## **Special Guest Facilitator Father Daniel Renaud, OMI**

*I pray that out of his glorious riches God may strengthen you with power through his Spirit in your inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge--that you may be filled to the measure of all the fullness of God."*
